

VENDITA USATA

boston whaler Outrage 320

150 000 € IVA inclusa

Descrizione

The Boston 320 is a practical and well-equipped boat, perfect for those seeking a blend of comfort and performance. Recently, the vessel underwent significant maintenance, with the entire beige upholstery polished and the roll bar repainted, ensuring it maintains a polished look.

At the stern, a cozy couch has been added, complete with a refrigerator to keep drinks cool and space for storage. This area is designed to comfortably accommodate 7 to 8 people, making it ideal for socializing during outings. Additionally, the boat is equipped with two biminis—one at the bow and one at the stern—for shade on sunny days.

In terms of propulsion, the Boston 320 is powered by two Mercury Verado F300 XXL engines installed in 2014, with alternators replaced in 2022. With approximately 700 hours of operation and regular maintenance since 2016, it offers reliable performance.

Notable features include a Frigoboat Madrid 35F stainless steel refrigerator, a high-quality stereo system with an amplifier and four speakers, and a galley with a sink. The boat also includes a bathroom with a toilet, four batteries, and six bilge pumps—some automatic and others manual.

For safety, the vessel is equipped with two Raymarine Hybridtouch multifunction displays, an autopilot, and a Vessel View 7 onboard computer. Lastly, a new windlass and a Delta anchor with 50 meters of stainless steel chain ensure secure anchoring.
