

VENDITA USATA

sessa marine C44 cruiser

495 000 € IVA INCLUSA

Descrizione

Description fournie par le constructeurDirect descendant of the C43, the C44 project originates from the desire to offer an even more comprehensive and comfortable version. With 2 VOLVO PENTA IPS 500 or 600 engines, the C44 has the same hull as the C43, widely hailed by the specialized international press for its suppleness and sea keeping qualities when it was launched in 2008. A new feature is the hydraulic bathing deck with a 600kg capacity, for accommodating and launching a 2,3m tender. The cockpit layout is available in two different styles: simple version with deck lounge, large sun deck and tender garage at the rear or the double version with two sofas in a L shape and a table comfortably seating 12 guests.
